NUMISMATIC NEWS CARTON SAYS IT ALL

The Oct. 30 issue of N.N. featured a cartoon by Bill King that says a thousand words. How much longer will the collectors pay \$45 in surcharges that are unwarranted? The Olympic Committee has requested a coin set for the 1996 Olympics in Atlanta, after just getting a set approved for the 1992 Olympics in Spain. SOU-EEE, what animal does that make you think of? The Columbus issue has been approved, The Mt. Rushmore, U.S.O., the 38th anniv. of the Korean War and several more will be competing with the only legitimate commem set to be put forward OURS! We MUST get our bid in and get a House Bill Number

YOU MISSED A GREAT SHOW! If you did not attend the October meeting you missed a Harry Rescigno Production complete with gorgeous slides of the Greek Coins of the Hellenistic Period. with Harry's inimitable running commentary. It was PART TWO of a former Rescigno Production, in cooperation of Seaby's of London. How come a Roman is an authority on Greek Coins? Do it some more Harry, we LOVE it!

NOVEMBER IS ELECTION TIME! No, not the government type, the NJNS officers slate. Nothing wrong with the present staff of stalwarts, it's just time to select new candidates or reelect the incumbents. If you want to have your say in the election, you better be on hand Nov. 19. My job is safe, your everlasting Corresponding Secretary is running unopposed.

THE AGE OF ELECTRONICS/FYI! My 1985 Buick SKYLARK quit in the middle of a busy intersection. I had it towed 300 yards to a gas station (\$35) Mechanic said it was a busted gas pump. It would cost over \$200 to replace it, because the pump WAS IN THE GAS TANK. He had to drop the tank to replace the pump. The reason it quit, the computer burned out, taking the "sender" with it. A rebuilt computer cost me \$325 (with new "sender" Bottom line \$525. Who said "life is just a bowl of cherries"?

NEW COIN DESIGNS MAY PASS AT LAST! According to Numismatic News headline Oct 30. The bill was attached to other legislation that has nothing whatsoever to do with coinage but that's not important to certain "POWERFUL" members of congress. If they can manage, it may become law before congress members rush home after they settle the budget matter. In my view the BEST time to change the coin designs would be 2001, a new century and ALL new coins. If it doesn't get passed this session, it will have to be introduced all over again in the next congress convening in Jan 1991.

DAVID L. GANZ COMES THROUGH! Governor/ANA Attorney, David Ganz has come up with some technical advice which Spencer Peck will show at our Nov. meeting. We will be sitting on the Capitol steps when they open for business next January.

Notice of the 589th Meeting:

November 19, 1990 7:15 PM

Helen Chase Memorial Room
Madison Public Library
39 Keep Street
Madison

As we prepare for Thanksgiving, we should all give thanks for the unique Society that we belong to, and turn out for a most important meeting.

Our workdog secretary Spencer Peck has made significant inroads in drumming up support for our Bicentennial of the Mint Coin Set Project with support coming from the ANA of all places.

In addition, we will be finalizing the slate of officers for a one year term, with elections to be held at the December meeting.

As our speaker, Arno Safron will be presenting "Coins of our Grandfathers 1880-1890."

Topics for the evening will include:

Seated Liberty and Barber Coinage
Peace (or related) Medals (Thanksgiving)
Recent Acquisitions & Related Literature

THE BULLETIN

OFFICIAL NEWSLETTER OF THE NJNS April 15, 1991

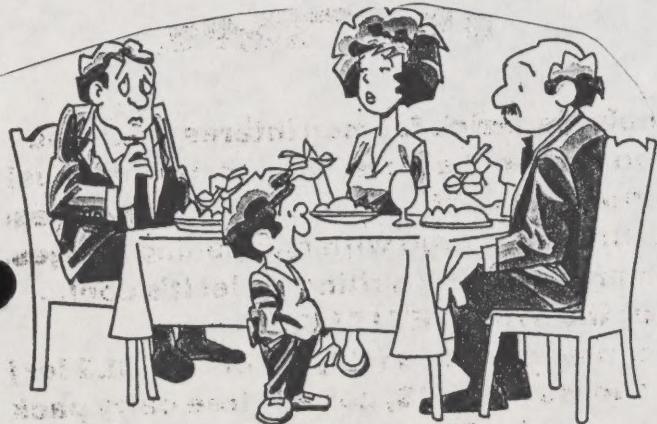

METROPOLITAN SHOW A SUCCESS! Highlight of the show was the exhibit of National Bank Notes of \$5 denomination, (First Charter) eight display cases, by Doug Walcutt (who else?) If you read all the information and scrutinized each note you would know more than Friedberg. James K. Brandt and Doug co-chaired the show. Arno Safran was seen negotiating with a dealer who was heard to say "MAN!, you're tough" (Just cautious) Gino De Togni was on hand with his better half (Dorothy) Gino displayed, with some dismay, a parking ticket obtained at the R.R. Station while he was asking where he could park. No other members present (Friday Afternoon).

COMING ATTRACTIONS! The Greater New York Numismatic Convention Spring Session will run May 1-4 at the Omni Park Central Hotel 7th Ave. at 56th St. NYC. The Hackettstown Coin Club Show is scheduled for Sunday, April 28, at the American Legion Hall on Willow Grove St., (same place where Mary Grant chaired the show for 26 years. Mary died last year so they have a new chairman, Steve Middleton, who did a great job last Spring and Fall. Steve will join the NJNS SOON. The Parsippany Show at the Aspen Hotel continues to be a meeting place for many a NJNS member each first Sunday of the month. Charlie Davis is on hand with a ton of books, and some choice coins..

HE SELLS SEA SHELLS AT THE SEA SHORE Mal Heckman, popular past president of the NJNS showed up at the March meeting touting his venture in Wildwood where he is proprietor of The Sandy Cove Motel, along with his spouse, Joanne. The Motel is a block from the ocean at 241 East Youngs Avenue. Mal wants you to come down and check it out. They say the beach is littered with Byzantine gold coins. What say we rent the entire place for a weekend and have a blast?

ETAOIN SHRDLU (PYE LINES) Bad ideas for ugly commemorative coins continue to pile up on the desk of Esteban Torres, new head of the COINAGE committee in Washington. Rep. Lehman set the program back 60 years. Let's hope Torres has better control, and the good taste to promote OUR Bicentennial of the Mint set..

YEAH RIGHT! BUT DO THEY HAVE PROOF(S)? World Coin News, quoting an article from Reuters states that Iraq has issued a VICTORY Coin set. (2 coins) showing a clenched fist under the arch of victory in Baghdad. Now THERE is a FANTASY coin set!

"Where are your cards? Dad says you're not playing with a full deck."

THE ICE CREAM CAUCUS If you want to join the bunch at FRIENDLY' for dessert after the meeting, jump in. Sundaes are EXTRA FINE, the banana splits are VERY FINE, the Ice Cream is FINE and the Coffee is ABOUT GOOD. The opinions voiced are G-4. Spring has sprung and daylight saving time will allow you to drive in daylight one way, and if you pay attention, you won't go home in the dark. If you missed Chris Connors talk on the coins of Constantine 1-12, with beautiful slides, you missed a BEAUTIFUL show. Get with it April 15th

Items of note from the Corresponding Secretary May 20, 1991

CIVIL WAR REVISITED Entertaining and educational programs continue to be the rule at our meetings with the April session being a real winner. Dennis Wierzba, president of the Civil War Tokens Society presented a slide show on "Civil War Store Cards" proving that there is much to know about that phase of our hobby. You could spend your life collecting these little cent-size specimens and never have them all. You would surely be an authority on American History. The recent series on the National Television Network sparked interest in the devastating conflict and Dennis likewise ignited interest in its memorabilia. Good show!

HOME ON THE RANGE "Nickel News" the journal of The American Nickel Collectors' Association has a cover story in their Dec./Feb. issue on Buffalo nickels and it has all the things you ever wanted to know, but didn't know who to ask. The answers were right here in the NJNS. James T. Donohue, Ph.D. leads off with an article "The Buffalo Hunter" with an analysis of the series 1913-1938. The photo illustrations are by Arno Safran, a Buffalo hunter from 'way back. Arno also wrote the back-up article "A Closer Look At Buffalo Nickels" so between the two authors you can meet right here in the Helen Chase Room every month, you can get the answer to any question about the most popular coin among the American nickels.

STRIKE ONE FOR KOREAN DOLLAR Donna Pope has requested my presence at a "First Strike" ceremony for the Korean Commem. dollar coin on Monday, May 6 at the Philadelphia Mint. I have witnessed every such ceremony at Philadelphia and West Point since 1979, so I will be there. Any questions? ask May 20.

"Negative results on the fish...
Let's try rubbing two sticks together."

WW II COMMEM SET PROPOSED A three coin commemorative set to help finance a memorial to World War II veterans in Washington D.C. has been proposed by Rep. Marcy Kaptur, D-Ohio. A similar bill for 1991 died in Congress when it became clear that the agenda was crowded for that year. With Columbus in the rail position for 1992 the WW II bill was slated for 1993. Anyone for 1994? Our organization was founded in Oct. six decades ago in 1933. We should start thinking about a medal for our 60th anniversary in 1993.

THE BOTTOM LINE The FBI reported that there were 30% fewer bank robberies in 1990. The reason is probably explained by the FDIC who reported that there were 30% fewer banks in 1990.

I very much regret reporting to those who have not already heard that Bill Moore passed away on May 15 at the age of 67. Those of us who were privileged to have known him, and his almost perfect attendance at Society meetings guaranteed that most of us did, have lost a true gentleman collector compatriot. The stroke Bill suffered several years ago may have stilled his voice, but it by no means dampened his enthusiasm for his coins. Each of us, I am sure, will remember one or 101 coins that he brought and how he beamed when we admired them and complimented him on their beauty. Bill will be sorely missed and fondly remembered.

As a tribute, we have postponed the formal speaker for this meeting, and in lieu of a suggested topic, ask each member to bring and discuss a special numismatic item that is particularly significant or meaningful in a personal sense.

Respectfully,

Charles Davis

WHAT WOULD THEY DO WITHOUT US? Again, the Garden State Numismatic Association has tapped the resources of the NJNS for talent. This time you will see THREE familiar faces. BOURSE CHAIRMAN, James K. Brandt will be overseeing the commercial section where the business is transacted. Chris T. Connell will be at the registration desk to greet you and see that you get your I.D.. Peter Irion will oversee the exhibits, and that's only for starters, I haven't seen the program yet!. Jump in your vehicle and move on down the pike, you are sure to find lots of bargains. That will be June 28, 29 and 30

HIGH SPEED COIN PRESSES A MARVEL. Ten high-speed coining presses are now on-line at the Denver Mint and will soon be in place at the Philadelphia mint. Take a guess how many coins there modern machines can knock out every minute with a SINGLE pair of dies. Would you say five hundred?, 600?, nope! 700 coins every minute. Get enough machines like this and the mint will only have to operate every other Thursday. They can make quarters faster than your wife can spend them. (Numismatic News)

ANNUNZIO CALLS THE! SHOTS The Treasury Dept has realized 500 million dollars in profits from commemorative coin programs, according to the Rep from Ill. That should pay the interest on the three trillion National debt for about fifteen minutes. The Columbus Commem. set for 1992 should be a DONE thing by the time you read this. The U.S. Mint will cease marketing the IKE Dollar commem June 30, after selling 1.37 million strikes of the 4 million authorized.

FORT WORTH PLANT PRINTS \$100 NOTES! It may be a while before you get your hands on one but the BEP plant in Fort Worth TX is now knocking out those big C notes. They are complete with the latest anti-counterfeiting devices to thwart the bad guys. They will supply three western Fed Reserve Districts, for starters and each note costs the FR just 3 cents. The FW identification appears before the position indication in the lower right.

THROW IN THE TOWEL Half of the members of congress must be in favor of ANY commemorative coin suggestion or it will not even be considered. We have a total of NONE. Main man Torres wants a World Cup Soccer Commem set for 1993, no problem, he sends a "dear colleague, scratch my back and I will scratch yours" letter and it's a done deal. We can't fight 'em and I don't want to join 'em. Run up the white flag! A commemorative first American dollar in 1974 is a long shot, but it will commemorate the only coin known all over the planet,

THE BOTTOM LINE Fun is like insurance, the older you get, the more it costs.

Last month's meeting was a wonderful tribute to Bill Moore, and I especially appreciated the several individuals who noted that they had not planned to attend, but changed their minds in order to pay their respects to fine gentleman and numismatist.

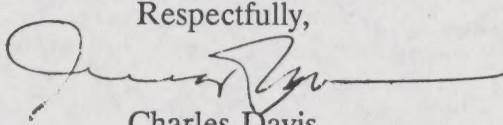

As you will notice from the heading, we are rapidly approaching our 600th meeting which will take place on 18. I would appreciate suggestions from the membership regarding some sort of special program to commemorate this event.

Our featured speaker for this meeting will be Arno Safron who will present a talk on Early Nineteenth Century Year Sets.

Topic for the evening will include

BICENTENNIAL OF AMERICA'S FIRST COINS

The New Jersey Numismatic Society, now in its 55th year, has voted to petition the Congress of the United States to authorize a Proof Set in 1992, commemorating the establishment of the U.S. Mint, April 2, 1792. The coins are to be the same size and weight as the original first coins. The obverses will replicate the original coins, the common reverse will show the original mint building, the first federally owned and built edifice. The dual dates 1792-1992 will be on each coin.

The NJNS approved the project April 16th at its 583rd monthly meeting. The Garden State Numismatic Association (GSNA), with 32 member clubs throughout the state, agreed to support the plan at their board meeting April 27. The Great Eastern Numismatic Association, under the direction of President Larry Gentile Sr., voted to support the petition at the May Meeting of the GENA board.

The Hackettstown, Roxbury, Sussex County, and Forks of the Delaware Coin Clubs all passed a motion to join the drive at their regular meetings.

COIN WORLD announced the NJNS plans in a front page story May 9 which resulted in the Litchfield County Coin Club, of Northwestern Connecticut joining the plan. The Sauk Trail Coin Club of Chicago Heights got aboard May 15. Mr. Julius Turoff has offered to be the Ambassador among the Numismatic Ambassadors at the A.N.A. Convention in Seattle in Aug.

GOALS: We will have space at the registration table at the GSNA Convention at The Hyatt, Cherry Hill to distribute literature and get names on petitions. We will solicit the help of regional and local numismatic organizations in 50 states and appoint 50 state coordinators. We will ask that all club newsletters, journals and quarterly publications carry our message from coast-to-coast plus Alaska and Hawaii.

HOW CAN YOU HELP! Make the project your own! It can't happen without YOU!

OFFICIAL NEWSLETTER OF THE NJNS NOV. 18, 1991

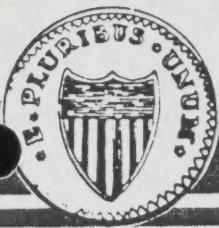

COMING ATTRACTIONS! The New York International Numismatic Convention (NYINC) is sold out with a third of the 110 tables going to dealers from outside the U.S. The Drake Hotel, Park Ave. at 56th St in NYC will be the site Dec. 6-8. A \$5 fee will admit you for the three days. A number of NJNS members may be seen cruising the isles in search of foreign goodies, so be a banana and join the bunch.

AWARD WINNERS ABOUND IN NJNS A good man is hard to find, if you can believe the line in the song, but it isn't so in the NJNS. The recent Great Eastern Numismatic Association Convention produced a trio of winners. Arno Safran, editor of the Lamp, publication of the organization and P.R. man for the convention is also the all-around utility man. Arno was presented the President's Award. Exhibits chairman Pete Irion was named "Best worker of the year" and he now has an award to prove it. Greg Heim walked off with the 3rd place award for his exhibit in the "U. S. Coins" category the toughest category in exhibiting where the heavy hitters are. When there is a happening in numismatics the NJNS will supply the workers and produce the winners.

GARDEN STATE ASSOCIATION WORKSHOP Two of our perpetual volunteers helped conduct the recent Garden State Numismatic Association's Workshop at the Landmark Inn Nov. 2. Jim Brandt came out shootin' with his trusty 35 millimeter single-lens reflex camera and showed the folks assembled how it was done. Teamed with the GSNA's Dennis Tilghman there wasn't much left to know after a 45 minute session. Also on hand, Greg Heim, pinch hitting for scheduled Chris Connell, who was called upon to do the Lord's work (his #1 priority) Greg discussed "Collector Dealer Relationship" in a 45 minute session. Thirty seven members of the GSNA registered for the event, 11 failed to show. Oh well, the Yankee Potroast and potatoe pancakes were a big success.

NUMISMATIC LITERARY GUILD GETS NEW MEMBER The NLG Newsletter edited by David L. Ganz (the man who burns up three typewriters per year) had a listing of new members of that prestigious organization and Abu Ben-Adam wasn't on it. The name of our own Christopher Connell was, so now we have Chris, Harry Rescigno, Arno Safran and ol' HTF, so we now have four NJNS members listed with the very best writers in the numismatic world.

WHEN DO WE EAT? Coins are nice, but you can't eat 'em. How about some BU rolls? (with your dinner at Rod's Ranch House.) The big bash to mark our 600th meeting will be a Hallmark of the organization founded in Oct, 1933 by Charles Nettleship and associates. Don't miss this one, it will go down in numismatic history. The meeting notice will give you all the details. NOTE to Mel Heckman, dump the sand out of your shoes and make the scene.

SEPTEMBER 16 1991

FALL IN FOR SEPTEMBER MEETING Get ready for a record turnout as the Society members flock back with their Summer acquisitions. There will be much to show and tell about. September 16 is the day we meet again in Helen's Room, so bring your prizes and come on in.

WE HAVE A BLUE RIBBON WINNER Here's a guy that takes off for Chicago and the ANA big 100th with an exhibit, his first ever at an ANA Convention, and fetches home a FIRST prize. Steve Middleton showed his Ferris Wheel medal with the story of its big hit at the St. Louis Expo in 1904 and scored a hit with the judges. A man showed up who remembers riding on the colosus when he was 6 years old. Ask Steve about it. Steve is show chairman for the upcoming Hackettstown C.C. show in Oct.

LET'S TALK TURKEY, (OR STEAK) Our 600th meeting is a landmark worth observing with a festive board, fine wine and vital befitting the occasion, so let's get plans together with a special speaker and a night of good food and fellowship. You deserve the best, so let's talk about it so that it becomes more than just talk. It's on the agenda for Sept 16, so be on hand with your ideas. (Gentlemen, start your enzymes.)

THE TALENT BANK NEVER OVERDRAWN Any time there's a numismatic event you can be certain that a NJNS member will be in a key position. Exhibits Chairman at the upcoming Great Eastern Numismatic Association will be our own Peter Irion, who will be at the helm when the show opens Sept 27 (thru 29th) at the Cherry Hill Inn (NOT at the other place). There may be still time to reserve a case or two, if you want to participate. Ask Pete Sept. 16, you may bring home a blue ribbon.

N.Y.I.N.C. SOLD AGAIN The New York International Numismatic Convention co-founded by Bill Selfridge, a past president of the NJNS was sold to Jean Tordella of MTB three years ago. Jean just sold it to a group of dealers who will stage the annual event Dec. 5-8 at the Drake Hotel, Park Ave. at 56th St. The 88 tables have been sold out. The Sheraton Centre, where the event was staged for over 15 years is undergoing renovations. If you dig the ancients, or foreign objects, this is where it's at!

ANA SLATES FUTURE CONVENTION SITES Head due South in 1992 for the Orlando outing, It's the Baltimore bash in 1993. Take your Chevy back to Detroit in 1994. Head west to Denver in 1995 and Anahime CA in 1996. In 1997 it's the Big Apple, and after that, i'll get back to ya.

We welcome the membership back from an eventful Summer with, I hope, enough war stories and new acquisitions to make for an interesting meeting. Please plan on attending, and as we have no featured speaker, the well of folks who are willing to stand up and discuss their specialties and interest having dried up.

We are trying to make plan for a dinner meeting to commemorate our 600th meeting which will take place on November 18. We have a commitment for a speaker and are making plans for a room at Rod's Ranch House in Convent Station for our meeting. Further details will be available at the meeting.

Topic for the July meeting will include

Please join us for the final session before the 600th meeting of the Society. Plans have been finalized to celebrate that milestone with a dinner meeting at Rod's Ranch House in Convent Station on November 18. We have reserved the *Red Dog Room* at that restaurant (near the Train Station, about half way between Madison and Morristown on Madison Avenue, Route 24) from 6:30 on. As part of the observance, we would like to produce a souvenir booklet with highlights from the previous 599 meetings, and sketches of those who comprise the membership today. I have enclosed a questionnaire that asks you to indicate your significant numismatic interests and accomplishments. We would hope that all of you will complete it and thus allow us to document just how involved our membership is in contributing to the welfare of today's numismatics. If for some reason you do not want even your name listed, please let me know. Under no circumstances will addresses be published.

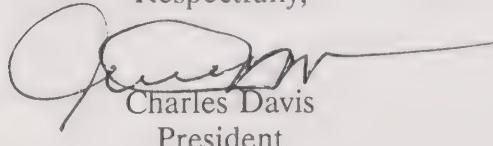

For the October meeting, Spencer Peck will kick off a year of Columbus Quintcentennial (!?) celebrations with the first of a three part talk, *The Treasures of New Spain, Part I.*

Finally, as elections will be held at the December meeting, I would be pleased to entertain suggestions for nominations for any and all offices.

Topic for the meeting will include

Coin of New Spain
Columbian related material
Wampum and money forms related to those Columbus "found"

TIME: Monday 7:30 PM
PLACE: Helen Chase Memorial Room
Madison Public Library
39 Keep Street
Madison, New Jersey

This will be the month for nominations for the 1987 slate of officers. If you have anyone that you wish to nominate, please attend. The nomination committee will also make their recommendations.

I will be giving a talk and slide presentation on one of American Numismatic's most understudied topics-The Colonial Coppers of Connecticut. Please try to attend and enjoy this talk. As a matter of fact, make it bring a friend night. Ask a fellow coin collector or club member to come along.

I'll see everybody there.

Sincerely,

Harry J. Rescigno
President

Topics for the evening will be:

1. Presidential and Election Tokens and Medals.
2. Ancient Greek Coins of Europe.
3. World Talers, Crowns and Dollars.
4. Recent Aquisitions.

Whew! This spring has been hot so far! Thank goodness for air conditioning in our meeting room. It was very pleasant hearing and seeing Mr. Manfred Anson's talk and extensive display at our June meeting. His topic "Numismatics and Memorabilia of the Statue of Liberty" was very interesting.

This month's topics promise to make July's meeting very informative. So bring your treasures and share them with the rest of us.

Also, if you have any suggestions or ideas on how to promote our hobby through our Society, please let one of your officers know. One suggestion already being worked on by a sub-committee is having a dinner meeting in December in place of our regular meeting. Another idea could be a "Trade Night" where each person wanting to participate could bring a numismatic item (coin, bill, book, etc.) valued at \$10.00 or less, and offer to trade it for something else another member brought. There are hundreds of ideas out there. Let us know what they are! It will only strengthen and make our Society more interesting.

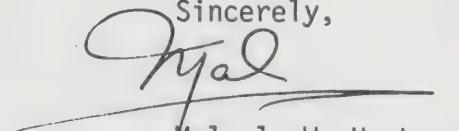

Finally, the strength of any organization lies in its membership. Attend each meeting, if possible. And come with enthusiasm and new ideas. Bring your numismatically inclined neighbor, kid down the street, associate at work, or maybe other family members. New blood keeps any organization vital.

After July's meeting, I won't see or communicate with you until September. There is no meeting in August. Have a restful Summer and may you each find a genuine 1913 V nickel in your garden.

Topics for the evening:

1. First coin or bill of any series - by date (eq. 1909 Lincoln cent, 1948 Ben Franklin half) (New beginning for USA - July 4, 1776).
2. Counterstruck coins
3. Items used in lieu of money (eq. tokens, brick tea, ax, spoon, etc.)
4. Copper, brass, bronze
5. Recent Acquisitions.

Welcome back from your restful summer vacations. It's time to think numismatics again. We hope you were able to save enough of your money to purchase several "Recent Acquisitions" and show us them in the coming months.

We start the fall program with a BANG! Notwithstanding her very busy schedule, we are honored to have Dorothy Budd Bartle, head of Newark Museum's Numismatic Department, speak to our Society on "The Newark Museum - Past, Present, and Future." We all look forward to hear this interesting talk about an institution and its collection most of us know too little, if anything, about.

Our December dinner meeting's plans are progressing. Full details will be in October's meeting announcement. So reserve the night of December 21st for fun and fellowship. Do your holiday shopping early!

Finally, bring a friend along. We both need each other to strengthen our hobby.

Topics for the evening:

1. Industry & Numismatics (Sept. 7 - Labor Day)
2. Jewish Coins (Sept. 24 - Rosh Hashanah)
3. Money Dated Each Twenty-five Years - e.g. 1975, 1950, 1925----25th year of Councilship or Regnal Year.
4. American Dollars - Silver, Gold, and Paper
5. Recent Acquisitions

Those of you who missed hearing our September meeting's speaker, Dorothy Budd Bartle, head of the Newark Museum's numismatic department, lost an excellent opportunity to learn from an expert. She was enthralling!

But, on with the show. This month all you long winded storytellers, (which are most of us) will get a break. No speaker is scheduled, so bring in those interesting numismatic items - those tidbits of fascinating history or trivia--and entertain, inform, and generally spellbind us all. Topics for the evening are at the bottom, but don't let that stop you, especially if your story is similar to "Raiders of the Lost Arc." Then again, some of us don't even need coins, do we?

Plans for our December 21, 1987 dinner meeting are almost complete. First, spouses or friends are invited. We will be dining at "Rod's 1890's Restaurant" located on Route 24 between Madison and Morristown. You pay for whatever you eat and drink that evening directly to the restaurant. A copy of the dinner menu is enclosed. Circle in red what you and yours want, print your name(s) on it, and return only the menu to:

Mr. Spencer Peck
Woods Rd. - RD #4
Lebanon, NJ 08833

Following this procedure will tell us how many are coming, who you are, and let you pay only for what you eat and drink. Or, as an alternative, you may bring the completed menu to our next meeting, if you wish. In any case, we'll need them all returned by our November 16, 1987 meeting date, so that we can finalize our plans. If you have any questions regarding the above, please call me. Special thanks go to Charles Davis, Bill Schoener, and Spencer for a job well done.

The frost may be on the pumpkin, but our member's enthusiasm has certainly been hot. Those of you who have missed the last couple of meetings have missed a lot of entertaining information.

November's meeting continues the long string of exciting guest speakers. This month, our own Bill Christensen will present the topic "The Search for a Lost American Collection." Drawn from his own experience, it promises to be another blockbuster.

December's dinner meeting is progressing very well. Spouses or friends are invited to Rod's located at Convent Station (along Rt. 24) on December 21st. Please let Spencer Peck (201-236-6434) or I know if you plan to attend and what you will eat. Another sample menu is enclosed. Circle your food choices, sign it, and mail it to either of us or bring it to November's meeting. We want to finalize our plans by then. There will be a short regular meeting after our dinner. So come--one and all!

Many thanks for faithful service go to Bob Schonwalter, who recently resigned as Treasurer of our Society. He has served us ably for many years in various capacities, the latest being our money steward. We will miss him as an officer, but he will remain active as a member, thank goodness. A special welcome to Bill Schoener, our new Treasurer.

Speaking of money, we will soon begin to ask you to send us your 1988 Society membership dues. Beginning with our November meeting, anyone wishing to pay them (by check) to Bill, is encouraged to do so. They are \$10.00 for the calendar year 1988, quite a bargain if you consider that that amounts to less than \$1.00 per month!.

Don't forget, November 16. See you then!

Happy holidays! May you all be healthy and prosperous this new year.

First, and most significant, our December dinner meeting was cancelled due to lack of member interest. We will have a regular meeting in December as stated in the above heading. Please note and come. Spencer Peck, our fellow Society member will present a talk on "The Treasures of New Spain." It promises to be very interesting.

Officers for 1988 were nominated during November's meeting. They are:

Malcolm Heckman - President
William Schoener - 1st V.P. and Treasurer
Ernest Keusch - 2nd V.P.
Charles Davis - Secretary

Any other nominees are welcome. Come and vote at this meeting.

The Charles F. Nettleship Founders Award committee, comprised of Jim Heath, Ernie Keusch, and Bob Schonwalter is also hard at work. They will present their nominee at our December meeting.

Finally, January starts the new year for our Society. So avoid the rush or my needless reminders; pay your \$10.00 1988 dues now. That way you can insure being a member of one of the best numismatic organizations in the country in 1988. You can mail them to me or Bill Schoener, 47 Burroughs Way, Maplewood, NJ 07040.

Have a safe, happy holiday and I look forward to seeing you all soon.

Winter is here, and it's cold outside, but it's warm in Helen's room. Come on February 15th and hear your President (me) present an AINA program entitled "Israel: A Profile of the Interim Period (1945-1950)." Again this month we welcome our friends from the Israel Numismatic Society of New Jersey and hope all will come and join us.

My job precluded me from attending last month's meeting, but I understand it was terrific! Mr. Noble's presentation was informative and captivating. I even received calls at home from members regarding this program. It was a good way to start 1988 and is a portent of what is to come.

March winds are getting warmer, so there is no excuse for you not to come and add your knowledge to our meeting. The program for March 21st is "The Coins Were Greek to Me Until I Met an Eastern Roman Named Anastasius I in 491 A.D." -- or if you prefer the shortened title -- "Byzantine Coins." I plan on using the GSNA slide presentation (SS #13) as the basis of my talk. By the way, I've included a sheet on what speakers and programs are available. If you have a suggestion for a program, return the sheet to me with your choice. Better yet, why don't you volunteer to speak about your particular field of numismatics. We're easy to talk to and you would enjoy doing it! Let me know.

For the third month in a row, and sad to say, probably the last time this year, we host our AINA friends at our regular meeting. Their attendance has been excellent, and I hope our regular members don't embarrass me by not showing up in the same numbers as AINA members have in the past. Let's have a large turnout from both clubs this month.

We note with sincere and belated regret the death of an active and respected member of our Society on November 28, 1987 - Mr. Herbert Oechsner. His presence of spirit will be deeply missed by all of us.

Another note, this time of happiness, that Mr. Joseph J. Litvany has been unanimously elected by our membership to our "Honorary Roster." It is an elite group of only two other men who have been honored for their past and present contributions to our Society. Welcome Joseph!

Also, here is the last reminder for you to pay your 1988 membership dues. Only \$10.00 entitles you to all the rights and privileges of a member in good standing. Send your check to: (better yet - come!)

Another excellent program is scheduled this month. Bill Schoener will speak on the subject "Coinage of the French Revolution." Plan to get there early to get a good seat.

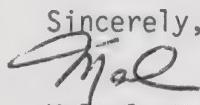

If you or someone you are acquainted with would like to present a program to the membership, please let me know. Beginning in July, several months are open. We will schedule you or your guest at your convenience.

Also, our "Information Table" (or piano) is working well. Just bring in any written or printed material relating to numismatics that you want to pass along to someone else and place it on the piano when you come in. At the end of our meeting, you may want to browse yourself for some "goodies".

Last, remember we meet in an air-conditioned room. So cool off with Helen at the library. See you June 20th.

Topics for the evening:

1. French Money (Subject this evening)
2. Flags or Standards on Coins (Flag Day - 6/14/88)
3. Father of his Country (Father's Day - 6/19/88)
4. Summer on Money (as interpreted by you--Classical style, full flower, adult, etc. - 6/23/88)

P.S. Two enclosures--Harold's idea has merit. Can we individually and/or as a Society do something? Do we want to?

And second, my wife is a "premium" sales rep. attended a N.Y. "premium" show and saw this. When told of my interest, she went back and got enough for our whole membership. Thought you might like a numismatic gag gift, courtesy of my wife. Joanne!

NEW JERSEY NUMISMATIC SOCIETY HAS 560th MEETING

The Mar. 21st meeting of the New Jersey Numismatic Society was the 560th meeting since 1933.

Joseph J. Litvany, long time member who also served on the Assay Commission, was elected to "Honorary Member" status for his many years of service.

The New Jersey AINA was invited for a joint meeting to hear NJNS President, Malcolm Heckman, an authority on "Byzantine Coins" deliver an address, illustrated by slides from the Garden State Numismatic Association Library.

NEW JERSEY NUMISMATIC SOCIETY HAS 551st MEETING

The May 18th meeting of the New Jersey Numismatic Society was the 551st meeting since 1933.

Highlight of the meeting was a lecture on "California Fractional Gold" delivered by Mark Auerbach who illustrated his talk with color slides. The tiny gold quarter, half and dollar coins in octagonal or round shapes form an interesting part of American numismatic history.

Area residents are invited to write to corresponding Secretary, Harold Flartey at P.O. Box 67, Wharton, N.J. 07885 for further details of club meetings.

December--the last month of the year and also, it seems, the shortest is the setting for yet another blockbuster of a program. After last month's "Size 21 Medals of the U.S. Mint" by Mr. Ernest Keusch, Mr. James Brandt will speak on "The Secrets of Coin Photography Revealed." Mr. Brandt, a member of our Society, is from Pearl River, NY. He has presented this same talk before many other numismatic organizations, and is a featured speaker for our own Garden State Numismatic Association of which we are a member. Whether for insurance purposes, identification in case of theft, or referencing at shows (to buy or sell), come hear this most relevant topic.

Nominations for our Society's officers for 1989 were duly closed at our last meeting. We will vote for them during our December meeting, and they are as follows:

President	- Charles Davis
1st V.P. & Treasurer	- William Schoener
2nd V.P.	- Ernest Keusch
Recording Secretary	- Spencer Peck
Corresp. Secretary	- Harold Flartey

Discussions regarding the selection (or not) of a Charles F. Nettleship Founders Award recipient for 1988 are still under way by the committee comprised of Messrs. Flartey, Keusch, and Schonwalter. Their recommendation is expected shortly.

Finally, last months meeting notice stated, "It's a little early---." This month It's Due! Yes, I'm talking about our bargain \$10.00 dues for calendar year 1989. Let's get those checks and money orders in by our December meeting so the new President and "old" Treasurer have the means to mail this meeting notice and meet on Keeep Street eleven (no August meeting) more times in 1989.

And since I have the stage for one last time, and this is my last meeting notice as your President, I would like to say a few things. First, thank you all for making my job easy. When we needed a speaker, someone always volunteered. When we needed a door prize to raffle and I wasn't able to pick one up, someone always donated one. The list of names is long so I won't name each person at the risk of missing someone. One exception though should be recognized--my secretary. Without her uncomplaining attitude, her dictionary to correct my grammar and spelling, and her nimble fingers (I'd still be typing this Christmas Eve) my monthly labor of love for two years would have been made a lot harder to do. To her, a sincere thanks for a task well done. And a final finally-- I'm proud to be a member of this Society and I hope you are too. The strength of any organization lies in its active members, so please, won't you who are not presently active, make a New Years resolution to attend regularly. And you who are now active, keep coming and keep the New Jersey Numismatic Society the most interesting numismatic club in the area.

Good luck to the new officers for 1989, especially the President. And to all my friends, I wish you a joyful holiday season and a healthy new year.

God bless you all!

Last month's meeting was so good, people did not want to leave. Mr. Safran's talk on type coins was very informative and the show and tell time afterwards was very interesting. I only wish all of our members would have been present.

This month, our own Greg Heim will speak on "Victor D. Brenner - The Lincoln Cent and Beyond." Don't miss this one!

Bring in anything written or typed for our "information table." It worked well last month, so let's continue bringing in numismatic information to share.

We need five more programs to finish this year, beginning in July and ending in December 1988 (no meeting the month of August). So please volunteer to speak about your specialty or suggest someone outside our Society. I'll gladly phone the person you suggest.

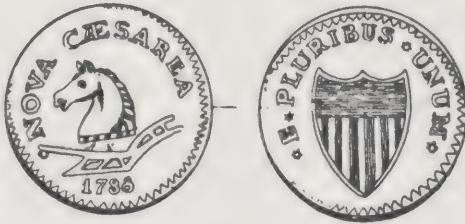

I would also welcome any "Topics for the evening" you may want to include some month. After two years of coming up with five topics per month, I'm running out of ideas.

Remember, this is your Society. Personally, I believe it to be the best in New Jersey, maybe the country. It is certainly filled with talent. With that in mind, I have included a copy of a sheet Harold Flartey recently send me. It looks like when you're good, you're always good. And the credit is yours!

See you May 16th.

Bill Schoener's June talk on "Coinage of the French Revolution" made me happy that my ancestors lived on this side of the Atlantic. The coins may have been beautiful but the politics were decidedly bloody! It was another outstanding program in a long line of educational talks.

This month, in lieu of a speaker, all of us are invited to share our specialized knowledge in our particular area of numismatics with each other. So come, share and feast.

Also, this month we inaugurate what we hope will be a long lived special addition to these meeting notices. Harold Flartey has graciously volunteered to write a newsletter full of golden nuggets of news relevant to our membership. What a wonderful idea! Thank you, Harold! They will probably become part of the Flartey memorabilia in future years. HEE-HEE. He might even accept "guest" articles. And who knows, the newsletter may get so popular, we may market it separately to other clubs! (Just kidding.)

Last, but not least, bring your donations to the "information table". See you on July 18th.

By HAROLD FLARTEY
Daily Record Numismatic Writer

Consider N.J. Numismatic Society If You're Serious About Your Coins

The N.J. Numismatic Society (NJNS) was formed in October 1933, according to a story in The Numismatist, official journal of the American Numismatic Association.

A copy of the report in the December 1933 issue of the publication was mailed to all members of the venerable club with the October 1977 meeting notice. The report, submitted by founding father Charles F. Nettleship of Maplewood, stated that the NJNS had its first meeting after six months of preliminary work, and that members had signed up from Rahway, Summit, Chatham, Gillette, Newark, the Oranges and Montclair, and considerable enthusiasm was expressed by the members.

No less enthusiasm was expressed when the members gathered 44 years later in December for their 443rd meeting to hear George Wait talk on "Santa Claus on Paper Curren-

cy." Mr. Wait, who had compiled the tremendous catalog of New Jersey Money for the Newark Museum, had many examples of St. Nick on paper money.

Club president Ernest E. Keusch is an authority on U.S. Pattern Coins, the 20 cents piece in particular, and his name is among those who contributed knowledge to the new sixth edition of "United States Pattern, Experimental and Trial Pieces" by J. Hewitt Judd.

Former president Herb Silberman is president of the Early American Coppers Society and has written a great deal about those magnificent, old U.S. large cents.

Vice president Harold Hauser is an authority on American Colonial coins and Secretary Jim Heath can tell you anything you want to know about Civil War Tokens.

That's just a sample. You may talk to experts on Ancient and Medieval coins, Greek, Roman, Judean and Byzantine; if there is no one to give you an answer, it doesn't exist. It is hard to imagine the wealth of knowledge about numismatics the membership commands in its libraries as well as its collections.

Along with the meeting notice, club members recently received a copy of an advertisement that appeared in the same publication that announced the formation of the society in 1933. The ad was by F.C.C. Boyd, who was offering "sharp," Uncirculated 1856 Flying Eagle cents for \$15 each. You should have bought a roll; they sell for \$2,000 each today.

The highest priced Indian Cent he offered was the 1877 at \$2.25 (today you can get all you want at \$900 each).

Late in the year 1864, a letter L (the initial of Longacre, the designer) was added to the ribbon on the headdress of the Indian. These scarce coins sold for \$1.50 in Mr. Boyd's coin store. Today, think in terms of \$265, or if you want what I call the Christmas variety (no L), they sold for .40 cents in 1933. Today's tab? \$70.

On Jan. 12 the members will assemble at 60 South Fullerton Ave., Montclair, for the 444th meeting of the society. Club stalwart Herb Oeschner, a veritable storehouse of information, will talk on Colonial Coins, and even the elite membership will learn something it didn't know before.

If you feel that you can contribute anything to this fine organization, or if you are a serious numismatic student, come to a meeting and you will be welcomed. If you are just looking for a night out of the house and a free doughnut and coffee, forget it.

James Heath was presented with the Charles F. Nettleship Award at the 546th monthly meeting of the New Jersey Numismatic Society Dec. 15th at the Madison N.J. Library. The "Founders Award" is named for the man who organized the Society in 1933.

Heath is a past secretary and president of the Society and a specialist in tokens and medals. He is the fourth recipient of the prestigious award.

Malcome Heckman was choosen to head the organization in 1987-88 with Robert Schonwalter, treasurer, Charles Davis, secretary and William Schoner and Ernest Keusch as first and second Vice-presidents. Harold Flartey will again serve as corresponding secretary.

Yours truly

NOW is the time!

The next meeting of the New Jersey Numismatic Society (our 527th) is slated for April 15th. That's also income tax day, so if you have any money left, bring it in and show it to us.

Doors are open at the Chase Memorial Room of the Madison Library on Keep St. at 7:30.

April suggests "All Fool's Day" so bring in your funny money, spurious bills and cast replicas.

Passover suggests the coins of Israel, past and present.

President and General U.S. Grant has a birthday Apr. 27 which should trigger many numismatic ideas.

- Show us your latest "buys" or anything else of interest.

Our 'main man' will be 2nd Veep Pete Hogaboom who will present a slide show on "The Grading of Small U.S. Cents" as prepared by the ANA. Pete and his wife will be our envoy to the GSNA Workshop at the Landmark Inn in Woodbridge April 27.

Don't be a dropout!

With this mailing we have blue-penciled the names of 10 members that have not paid their dues. We can't afford to spend \$2.64 a year to notify you of 12 meetings you are not going to attend anyhow!

If you did not pay your 1985 dues, you are on thin ice. Get a check in the mail for \$5.00 to P.O. Box 171, Elizabeth N.J. 07207

LET'S GET MOVING

The 529th meeting of the New Jersey Numismatic Society is slated to get under way promptly at 7:30 p.m. at the Madison Public Library on June 17. (The Third Monday)

The topic for discussion is "Medals of the United States Mint", the first Century 1792-1892, so bring in your mint medals.

Why mint medals? Why not! We will have as our guest the man who wrote the book, so if you don't know who that is, well, it's Robert W. Julian, that's who. If you have a copy of the book, fetch it in and have the main man autograph it for you.

Mr. Julian might be persuaded to talk about his book or comment on some of yours*, so let's have 100% attendance. (*Medals)

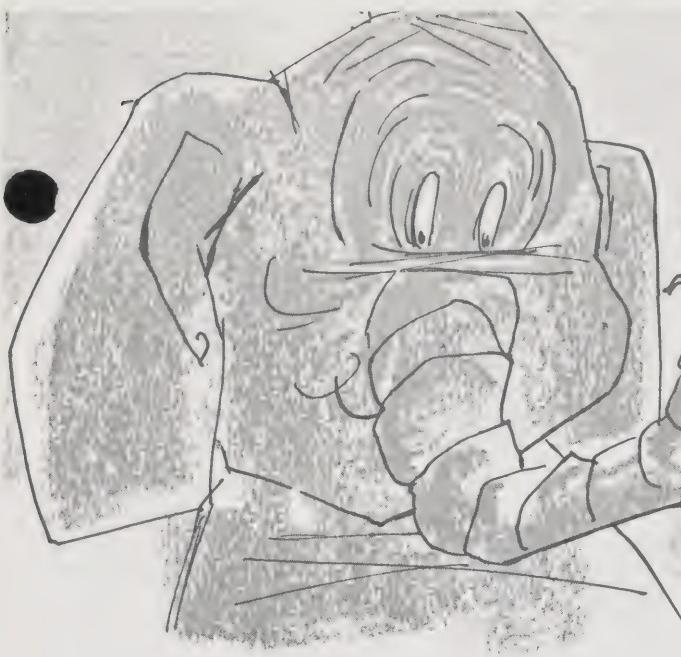

So what else is new? Ben Franklin discovered electricity in 1752 on June 15 while flying a kite in a thunderstorm with a copper wire instead of a string. What a miracle, not that he discovered something, but that he lived to tell about it. Do you have any Franklin material to electrify us?

Don't forget the convention of the Garden State Numismatic Association at the Hyatt Cherry Hill opening June 20 and closing June 23. "Errorama '85" will again be held in conjunction with the GSNA conclave and the Early American Coppers Meeting is programmed for 12 noon on Saturday in the Margate Room.

If you have a friend, bring him (her?) to the meeting, if you don't have a friend, get one, but get there early for a good seat.

best wishes

NEW JERSEY NUMISMATIC SOCIETY

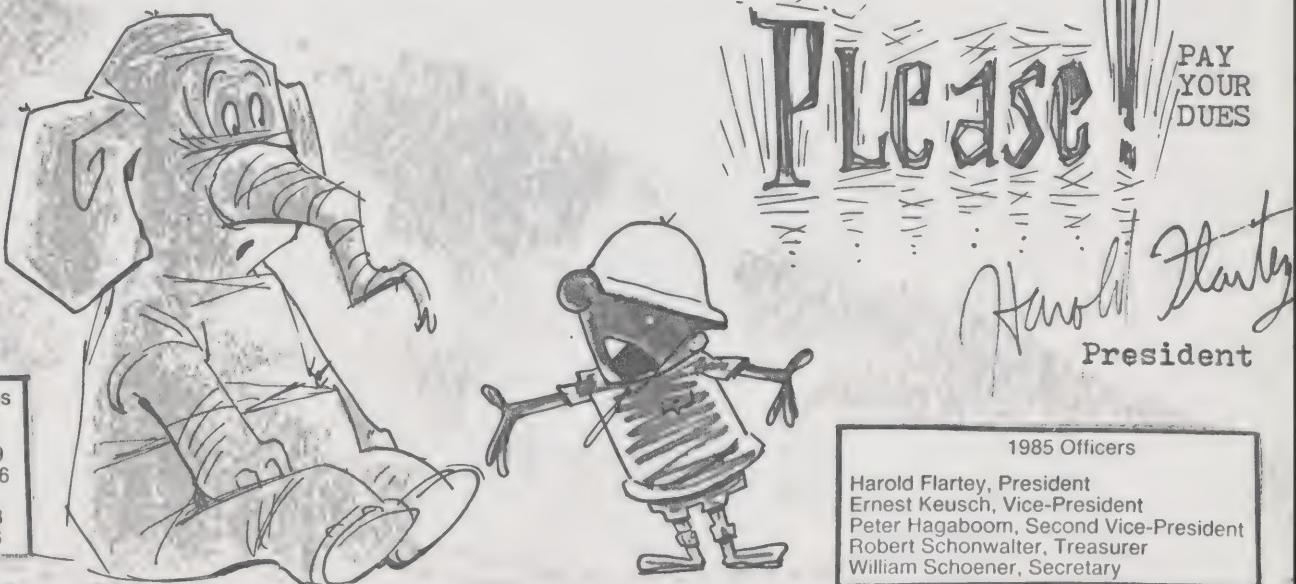

The 530th meeting of the New Jersey Numismatic Society is slated for Monday, July 15 at the Madison Public Library. Tie a piece of string around your finger to remember to be there by 7:30 p.m.

What do we have in store for you? Knowledge! What do you know about coins of the Byzantine Empire? We have a speaker who will tell you all you ever wanted to know and didn't know who to ask. You will be able to tell the obverse from the reverse, (I never could make heads or tails out of them)

So who is this erudite gentlemen? Malcolm Heckman, the journalist who created the newsletter about ancient coins. He can answer your questions, so be prepared to ask some. Bring along any you may own.

Independence Day suggests coins of the U.S.A., medals, tokens, patriotic items, WWI started July 28, 1914, Gerald Ford and John Q. Adams have a birthday, so bring something, and get here early for the best seats.

A.N.A.
94th Annual Convention
Aug. 20-25, 1985
Baltimore, MD

If you haven't been to a meeting lately, you missed a LOT!

On a hot July night we had a good showing with Malcolm Heckman at the podium telling us all about coins of the Byzantine era.

In June we had Robert Julian, author of "Medals of the United States Mint, the first 100 years" a real winner.

We are on a roll! Our August meeting will have on stage our Hon. Secretary, William Schoner with "The modern coinage of France" (that's SchoEner) Bring coins of France (any period) paper money and medals.

Did you see "Collector's Clearing House" by Marilyn Tiernan in Coin World, July 31 issue? It featured our own Susan Sisti who takes microphotos of coins, also provides instant slide photos. Wouldn't it be great to have her come and show us how she does it? I will ask her and see what develops.

New members are checking in. Arno Safran of Princeton is a writer of great promise having been published in Numismatic News, Coins Magazine and Coin World. Peter Doelger of Warren is an avid collector of U.S. type coins. His grandpa made Peter Doelger Quality (PDQ) beer in Newark years ago.

Topics for Aug could include Aug 8, first steam RR in 1831 (New Jersey) The Panama Canal opened Aug. 15, 1914. Fulton's steamboat sailed on Aug. 17, 1807. Hawaii became our 50th state in 1959 on Aug. 21. Woman's Suffrage got its start Aug 26 1920 and L.B. Johnson was born in 1908 on Aug 27.

What have you acquired? Bring it and tell us about it, and don't miss another meeting.

See you at the Madison Library.....

The 532nd meeting of the New Jersey Numismatic Society will be called to order at 7:30 P.M. on Monday, Sept 16, 1985 at the Madison Library.

The program, presented by Susan Sisti, will be a demonstration of coin photography. Susan and her husband Richard operate the Ramapaugh Trading Company in Newfoundland N.J.

At the recent G.S.N.A. Convention Susan was "Discovered" by Marilyn Tiernan, who writes the feature in Coin World called "Collectors' Clearinghouse", the result was a feature story about Susan and her expertise in coin photography. We asked Susan to show us how it is done, and she agreed, so be on hand to learn something about the mysterious process. Look! Learn, ask questions.

Those who attended the A.N.A. Convention in Baltimore will report and show their "finds" and we will view the recent acquisitions.

The Great Eastern Numismatic Association (GENA) will stage their annual convention Sept. 19-22 at the Hyatt in Cherry Hill N.J. The International Paper Money Convention is slated for the same hotel Nov. 14-17.

The November meeting of the New Jersey Numismatic Society is scheduled for the 18th at the Helen Chase Memorial Room at the Madison Library, 39 Keep Street at 7:30 p.m.

Highlighting the activity will be a presentation by Susan and Richard Sisti, who will tell of their first numismatic connection, the commemorative coins of Mexico. Look for an entertaining and educational presentation. Bring your coins of Mexico to add to the fun.

November also suggests religious tokens and medals for All Saints Day (Nov. 1) Veterans Day (Nov. 11) the California Gold Rush (Nov. 15) and Lincoln's Gettysburg Address, Nov. 19) Bring your recent acquisitions along too.

The nominating committee will report the new candidates for 1986, like Calvin Coolidge, "I do not choose to run"

The November meeting of the New Jersey Numismatic Society featured a presentation by Susan and Richard Sisti on "The Silver Commemorative Coinage of Mexico". The coins covered a period from 1921 to 1968.

Susan operated the slide projector and introduced the statesman being commemorated, Richard then described the obverse and reverse of the subject coin.

Each member in attendance was given an 18 page booklet, numbered and signed by the Sistis, showing photographs of obverse and reverse of the coins and a full discription, along with mintage figures, diameter, weight and other information pertaining to each commemorative.

A complete set of BU commemoratives shown in the presentation was made available for examination of members present.

The final page of the booklet gave a list of refferences for further study of Mexican Coinage.

It was the most complete coverage ever presented on a subject and some members were heard to say "That's a tough act to follow"

The NJNS meets the third Monday of each month at the Madison Public Library on Keep St. in Madison N.J. Area residents are invited to participate in a meeting. Inquiries invited from Harold Flartey, P.O. Box

Monday, Dec 16, at the Madison Public Library at 7:30, the New Jersey Numismatic Society will conduct its 535th meeting.

Come and meet your new officers for 1986 and shake hands with the NJNS Man of the Year, winner of the Charles F. Nettleship Founder's Award for 1985.

If you missed the Nov. meeting you missed the most thorough presentation ever offered on "The Commemorative Coins Of Mexico" by Susan and Richard Sisti, a commendable offering. It played to a packed house (22) of more members than we have seen in a long time.

This month we are fortunate to have in the spotlight a member who has won numerous awards for his exhibits at major coin shows of his Fractional Currency James K. Brandt will show color slides of his type set and exhibit actual specimens in crisp Uncirculated condition. Don't miss this educational presentation.

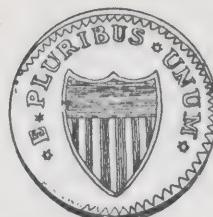

It has been my pleasure serving you during 1985.

Greetings:

The 524th meeting of the New Jersey Numismatic Society will take place Jan 21 at the Chase Memorial Room at the Madison public Library, 39 Keep St. at 7:30 p.m.

The subject of the meeting will include numismatic items honoring Alaska Statehood (Jan 3) Richard Nixon (Jan 9) Dr. Martin Luther King, Jr. (Jan 15) Ben Franklin (Jan 17) Robert E. Lee (Jan 19) Stonewall Jackson (Jan. 21) Gen. Douglas MacArthur, (Jan 26) Wm. McKinley, (Jan 29) and Franklin D. Roosevelt (Jan 30)

Be prepared to supply some input as to what YOU would like to see on the agenda for meetings during 1985. We have called upon past president Herb Silberman to tell us about the proceedings at the recent American Numismatic Society seminar on Copper Coins of America for our February meeting and we will ask William L. Subjack to give us a detailed report on his book on early U.S. Dimes. (For our MARCH meeting)

Ask not what the NJNS can do for you...and you know the rest....let's hear from you Jan 21.

What talent our Society has! Last month Bill Schoener explained how to decipher "Roman Coin Inscriptions". Those old Romans sure could say a lot on a little coin. This month Mark Auerbach will speak on "California Fractional Gold", a topic sure to be both informative and fascinating. If any of you other members would like to speak about your numismatic specialty some month, please let me know.

Many members are still not attending these super meetings for one reason or another. If you're one of these people, plan now to make the time and attend your Society. Don't be a card carrier!

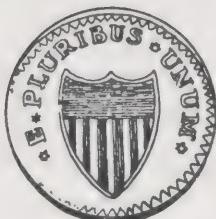

Topics for the evening:

1. Mothers (we or somebody loved) on money (Mother's Day, May 10).
2. Wartime money (Armed Forces Day, May 16).
3. Memorials on currency (Memorial Day, May 30).
4. Gold!

Attention fellow numismatists! June has five Mondays, hence, the relatively early meeting date of June 15th. Even I was fooled into listing June 22 in our February meeting notice that you all received. Sorry, my mistake. Remember - June 15th! Mark your calendars accordingly.

This must be the month for apologies. Again, I am sorry for not being able to chair last month's meeting, due to my illness. Not so much for doing something wrong, but missing a great talk by a fellow Society member, Mark Auerbach on "California Fractional Gold." Oh well, I understand Bill Schoener, our 1st V.P. did such a commendable job of chairing the meeting that nobody even missed me.

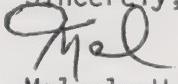

Well everyone, our June meeting promises to be a blockbuster. Mr. Manfred Anson has graciously agreed to speak to our membership on "Numismatics and Memorabilia of the Statue of Liberty," a very timely subject.

Don't fail to attend this meeting. It promises to be one of the highlights of the year. And don't forget, our room is air conditioned.

Topics for the evening:

1. National insignia on coin or paper (Flag Day - June 14)
2. Founding Fathers on coin or paper (Fathers Day - June 21)
3. The sun on coin or paper (Summer - June 23)
4. Silver

NEW JERSEY NUMISMATIC SOCIETY HAS 552nd MEETING

The June 15th meeting of the New Jersey Numismatic Society was the 552nd meeting since 1933.

Highlight of the meeting was an illustrated talk on "Numismatics and Memorabilia of the Statue of Liberty" by Manfred Anson who displayed a large collection of interesting pieces.

Charles F. Nettleship, who founded the organization in 1933 with a group of friends at a meeting at his home provided an error note as a door prize. Mr. Nettleship is now retired and living in Arizona.

Area Residents are invited to contact Corresponding Sec. Harold Flarley at P.O. Box 67, Wharton N.J. 07885 for details on membership.

The September meeting of the New Jersey Numismatic Society was highlighted by a demonstration of coin photography by Susan Sisti whose expertise has been putting her into the spotlight lately.

Bill Selfridge gave a report on the recent International Coin Show in Hong Kong at the Golden Mile Holiday Inn and Ernest Keusch showed some recent aquisitions in Assay Commission medals brought back from the ANA Convention in Baltimore.

MEETING NOTICE

The 528th meeting of the New Jersey Numismatic Society will take place Monday, May 20, at the Helen Chase Memorial Room of the Madison Library. The meeting will start promptly at 7:30, to avoid running into overtime.

May 20 is Victoria Day in Canada, so bring out your coins, tokens and paper money of Canada. The Royal Canadian Mint has announced that they will issue a series of 10 silver coins of \$20 denomination to help finance the 1988 Winter Games in Calgary. The 6th Edition of "Coins of Canada" is now available.

Harry Truman would be 101 years old May 8, so let's remember him with numismemorabilia.

The first transcontinental Railroad was completed May 10 1869, so show off your R.R. tickets, tokens, medals.

May 21 marks the anniversary of Lindbergh's flight, so if you have anything on that subject, produce it!

Ralph Waldo Emerson, Memorial Day and the birthday of John F. Kennedy are marked in May which should suggest some numismatic themes.

Daylight saving time is here, so come on out. All the snow has melted so MAKE IT to the meeting and lobby for your hobby.

COIN WORLD

Sincerely

President

"Medals of the U.S. Mint" was the main topic for discussion at the June meeting of the New Jersey Numismatic Society.

Guest speaker at the meeting held in the Madison Public Library was Robert W. Julian, author of the book covering the first century of production of medals at the U.S. Mint, 1793-1933. The research and production of the large format volume was sponsored by the Tokens and Medals Society and 2,300 copies have been pretty well distributed.

Mr. Julian talked about the difficulties encountered in searching old government records and fielded questions from club members who had turned out with large numbers of medals to be attributed. Mr. Julian signed copies of his book brought forth by members.

Past-President, Ernest Keusch, of the NJNS is discussing a new book with Mr. Julian, a joint venture that should be of interest to all numismatists.

The Summer of '88 is quickly fading into history (Whew), and Fall is just around the corner. Besides Saturday afternoon football games and shorter daylight hours, we begin our monthly meetings in about a week. Hurrah, Hurrah!

In keeping with our policy of learn-something-new-every-month, it gives me great pleasure to introduce Mr. Archie Black, who will present a talk to our Society entitled "Bust Half Dollars and Early Minting Procedures." It promises to be a stimulating and interesting evening.

Harold Flartey's golden nuggets are attached to this meeting announcement. He continues to inform and entertain us each month. Thank you, Harold!

One last reminder, please. Bring your written or printed items in to share with your fellow numismatists. Kindly place your donation on the "information table" (really a piano).

Don't forget to invite that new coin collecting neighbor who just moved into your neighborhood last month, or that young boy or girl who you happen to know saves pennies. Don't hide your light by sleeping by the switch. Do them a favor by turning them on to the best numismatic club in New Jersey.

See you all, and I mean ALL, on September 19, 1988. No excuses, please!
Das ist verboten!

Topics for the evening:

1. Bust Half Dollars (Subject of this evenings program)
2. The Value of Money (How much for a loaf of bread, and how long did the average person have to work to earn it? - Sept. 5 - Labor Day)
3. Coins of Ancient Crete
4. Canadian Coins of Victorian Times (1837-1901)
5. Recent Acquisitions

INTRODUCING The New Jersey Numismatic Society Newsletter. It will keep you informed on what's happening in our world, like area Coin Shows, auctions, news digest and what members are doing. The monthly issue will ride piggy-back on our 25c stamp that brings you President Heckman's announcement of the club meeting. The meeting notice and the newsletter can be called a two-piece HYPE set. (moving right along!)

VACATION TIME! We won't be meeting in August, members will be scattered from the Jersey Shore to Cincinnati so we won't see you 'til Sept 19. In the meantime you can scout up many things to bring back to display in our numismatic scavenger hunt (like Flarley memorabilia)

AUCTION ACTION Stack's will auction the Herbert Oechsner Collection of United States gold, silver and copper coins featuring one of the most important collections of Colonial coins ever sold. The sale is set for Sept. 7,8,9 at the Greater New York Coin Convention at the Omni Hotel in NYC. We have all seen many of the rare (some unique) pieces Herb would bring to the meetings. I sat next to him on several occasions and he was a hard act to follow (me and my counterstruck cents) I hope someone can bring back a piece of the collection for all to see.

WHATEVER HAPPENED TO WHAT'S HIS NAME? Jim Heath never missed a meeting, and he was always one of the first ones to arrive, before they opened the doors. Jim served as Secretary and President and took home the Charles F. Nettleship Founders Award. Jim knows more about tokens and medals than anyone I know and he always had an assortment of new acquisitions to show us. He looked forward to each meeting, but Jim has a new job that requires shift work and being "on call" so rest assured that he will be back at the first opportunity!

GARDEN STATE CONVENTION A baker's dozen NJNS members browsed the bourse with Pete Hogaboom dealing at the NJCT&M side show. Dave (Bevertown) Runfeldt right up front. Mark Auerbach hawking books by Walter Breen, get an autograph for \$5 extra. Charlie Davis confering with W.B., Gino DiTogni even had his picture taken with the great one. Herb Silberman toting the heavy volume. Harry Rescigno adding to the portfolio of EACs (cheaper by the pound?) Bill Moore (what can he find better than what he has?) Pete Irion sunk another ship into his collection, Jim Brandt moderator introduced Greg Heim to the Educational Forum, Ernie Keusch bid against John Pitman for an Assay Medal (Let him tell you who got it!) Arno Safran looking for material for a magazine article. Wait til you see the New acquisitions!

THE BOTTOM LINE! Whoever said that money couldn't buy happiness just didn't know where to shop!

HAPPY BIRTHDAY TO US! On an October evening in 1933 a group of numismatists met at the home of C. F. Nettleship in Maplewood to discuss the formation of the New Jersey Numismatic Society. Plans turned out quite well, for the Society has endured for 55 years. Yes, we have reached the double-nickel anniversary and that calls for a special program. Any ideas? When Charlie Nettleship and friends started this organization did any of them think it would still be alive and well 55 years later? Thank you Mr. Nettleship, for your foresight, and best wishes for your continued good health

WHAT EVER HAPPENED TO WHAT'S HIS NAME? Wilbur Selfridge (Bill) was president of this society in 1958 when the 25th Anniversary was observed. Bill is member #120 on top of the roster of regular members. We seldom see him, but he pays his annual dues. You can see him at the New York International Coin Show in December at his table in the bourse at the Sheraton Center Hotel. Bill is an authority on Spanish Colonial coins and Morris Canal notes and bonds. He started the annual International Show which he and his partner sold to a member of the MTB firm. Bill could tell us a lot about how it was in the NJNS 30 years ago

COIN SHOW SEASON! It's about time to head down the pike again, to Cherry Hill, this time for the Great Eastern Numismatic Association Convention at the Hyatt on rt. 70. (Sept 23-25, just four days after our Sept. meeting) The Trenton Numismatic Club will hold its Fall show Sept 26 (a Monday night) from 6 to 10 p.m. at the D.A.V. Hall 911 Arena Drive in Hamilton Township, and our own Arno Safran will be there! October 2 at the monthly coin show at the ASPEN hotel in Parsippany, you will see many of our NJNS members.

LOONEY TOON COIN PRICES A California dealer advertises PCGS slabbed Morgan dollars 1881-S (MS-66) at \$1,300, 1882-S \$1,450, 1884-0 \$5,500, 1885-0 \$3,400. Do you remember when these dates sold for \$1,000 a bag at the U.S. Mint? I bought rolls at \$1.25 per coin and some of them may have been MS-66 or better. I got \$3.50 each for them.

COIN WORLD, WED AUG. 17 Page 67 headline: "NJNS Gets New Journal" heralding my efforts as an editor-in-chief. Numismatic News picked us up in "Across the Nation" Page 6, 8/23. One page does not a journal make, but put the next 12 issues together and you will have some useful information. It will qualify for "Coin publications with membership under 100" and we MAY fetch home a prize!

THE BOTTOM LINE! About the only thing you can do on a shoestring anymore is trip!

Last month's meeting was so good, people did not want to leave. Mr. Safran's talk on type coins was very informative and the show and tell time afterwards was very interesting. I only wish all of our members would have been present.

This month, our own Greg Heim will speak on "Victor D. Brenner - The Lincoln Cent and Beyond." Don't miss this one!

Bring in anything written or typed for our "information table." It worked well last month, so let's continue bringing in numismatic information to share.

We need five more programs to finish this year, beginning in July and ending in December 1988 (no meeting the month of August). So please volunteer to speak about your specialty or suggest someone outside our Society. I'll gladly phone the person you suggest.

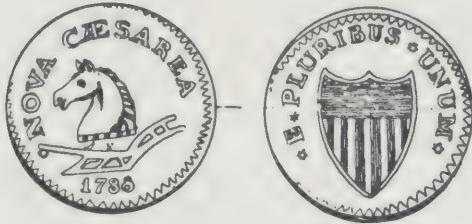

I would also welcome any "Topics for the evening" you may want to include some month. After two years of coming up with five topics per month, I'm running out of ideas.

Remember, this is your Society. Personally, I believe it to be the best in New Jersey, maybe the country. It is certainly filled with talent. With that in mind, I have included a copy of a sheet Harold Flartey recently send me. It looks like when you're good, you're always good. And the credit is yours!

See you May 16th.

Did you know Philippine Guerilla Currency was printed on paper bag paper using wood-cut, rubber-cut, and metal plates during the Japanese occupation in 1942? Very ingenious! If you were present last month, you heard Mr. Gino DeTogni's splendid talk and saw his collection of PGC money. If you missed it, come this month and hear Mr. Ernest Keusch talk about "Size 21 Medals of the U.S. Mint," another intriguing topic.

A slate of Society officers for 1989 has been nominated, and are presented here for your consideration:

President	- Charles Davis
1st V.P. & Treasurer	- William Schoener
2nd V.P.	- Ernest Keusch
Recording Secretary	- Spencer Peck
Corresponding Secretary	- Harold Flartey

At our November meeting, nominations from the floor will be in order. Voting will take place during our December meeting.

It's a little early, but you can bring your check or money for \$10.00 to the November meeting to pay your 1989 dues. It's that time of year again. Thanks!

See you at Helen's on November 21st!

SEASON'S GREETINGS If you haven't attended a meeting all year you should make it to our Dec. meeting on the 19th to say Merry Christmas and Happy New Year to your fellow members. It is a week before Christmas, so drop by for the festive occasion. It's the last meeting under the gavel of the Hon. Malcolm Heckman. Come on, give the man a big hand.

WORLD MONEY SHOW IN 19TH YEAR Ever been to the WMS? It's held each month on the 3rd Sunday at the American Legion Hall, 1556 Main Ave., Clifton. Choice foreign coins and paper money, lots of it, so if you dig those foreign crowns, take a look. Ample parking and admission free. Show dates for the first quarter of 1989 are Jan. 17, Feb. 21 and March 20, the day before our meetings.

NEW MAN IN THE DRIVER'S SEAT Charles Davis, the man with all the numismatic books will be in charge of affairs starting next month, so come on out and cheer him on. Spencer Peck has been named Recording Secretary, Bill Schoener remains as First V.P. and Treasurer and Ernest Keusch remains as 2nd V.P. Guess who will be our Corresponding Sec. (Again?)

WHAT EVER HAPPENED TO WHAT'S HIS NAME? Harry Rescigno never missed a meeting back around the time when this club became 50 years old in 1983. He was president during our Golden Anniversary year and Recording Sec. for two years prior to that. His presentations on "The New Jersey Coppers" and "Auction Catalogs as an insight to numismatic history" were well received. Harry took a job on Wall St. in the Big Apple and getting there and back each day is a hassle. Harry's wife is a teacher, and the teacher's meet the 3rd Monday of each month. That means a baby sitter is required for the son and daughter. If anyone will go to Milton and sit with the young Rescignos Harry would be glad to attend our meetings. Any Volunteers?

"MR RED BOOK" is dead at age 84! The well known Richard S. Yeoman died Nov 9 of a stroke while driving his car. It should be noted here, since his "Guide Book of United States Coins" has been the bible for coin collectors for 42 years. You probably learned your first facts from it.

"Well, I see my time is about up..."

THE BOTTOM LINE Mixed greens are good for you, especially fives, tens and twenties.

TIRED OF ELECTION PROPAGANDA? Well don't quit now, we have to choose a slate of officers for the NJNS to take office in January, 1989. We wore out our president Mal Heckman who did a most remarkable job of arranging interesting programs and selecting topics for our "Round Table" presentations. Mal can relax in Jan. but you can bet he will be an active participant in future meetings. Come on out and nominate candidates or just approve the slate proposed.

GOOD SHOW!! One of the finest presentations of the past year was about Spain and the Spanish Milled Dollar by Spencer Peck. He is redoing the show with additional material and appropriate music on the tape-player. When it is ready for showing, don't miss it! Watch your newsletter for the date!

LET'S GO TO THE BIG APPLE for the 17th New York International Coin Convention at the Sheraton Center Hotel, 7th Ave. at 52nd St. Dec 10-12. Bill Christensen will have a table and Ernie Keusch usually likes to help him out by being on the seller side of the table, for a change. Bill Selfridge always has a table too, and you are likely to see many NJNS members cruising the bourse so...see you there! The Sussex County Coin Club Show is Nov. 27 at the Newtonian Inn in Newton on rt. 202 and the monthly show at the Aspen Hotel in Parsippany is Dec. 4.

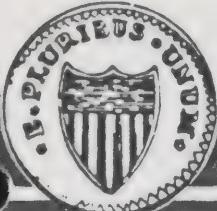

THE MAGIC CARPET is the title of the exhibit now on display at the Newark Museum. It contains coins, paper money and all the good stuff we like. You remember Dorothy Budd Bartle, Curator of the Coin Collection, was at one of our meetings to tell us about the plans for refurbishing and enlarging the facilities. A small gallery PERMANENTLY devoted to numismatics opens in Nov. 1989, so go have a look, and ask about those beautiful postcards!

SICK LIST of ONE! Our man Gino DeTogni was laid low for an entire week when he got the dizzies. Doctor said it was an "inner ear infection" and REST was the only cure. Picatinny had to make do without Gino for a week but he went back to the grindstone Oct. 31. "I was never sicker in my life" said Gino. "It was a tough bout" Coin and Philippine Gorilla currency collectors are not easy prey for "bugs"

THE BOTTOM LINE! If you don't have the time to do the job right, when are you going to have time to do it OVER!

This month our own Mr. Arno Safran will present a talk entitled "U.S. Type Coins A Century Apart." Don't miss what I'm sure will be a very interesting dissertation.

We still could schedule additional programs this year. Let me know what area of numismatics your expertise lies in and when you would like to present your subject and we'll arrange what month you can present it.

This month, with your help and support, I'd like to try a new idea. We all participate in various areas of numismatics. In an effort to disseminate information and generate interest in areas we are not familiar with, let's have an "information table." Any notices of meetings or shows, periodicals, books, auction catalogues, letters--in other words--anything written relating to numismatics that we can donate and make our fellow collector wiser, place on that table this month. Whatever is left over when our meeting breaks up will be discarded each month. Let's try it!

Last month's meeting notice said it was the last reminder for those of you who forgot to pay their 1988 membership dues. As you can see, I lied! Please send your \$10.00 checks to me ASAP. Thanks!

One last proposal--our treasury is healthy. For a nominal cost, we could have a picnic this summer, in addition to, or in place of, or in conjunction with a regular scheduled meeting time. The place, menu, etc. could be determined by a sub-committee. Let me know your wishes! See you April 18th.

NEW JERSEY NUMISMATIC SOCIETY HAS 558th MEETING

The Jan 18th meeting of the New Jersey Numismatic Society was the 558th meeting since 1933. Vice-President William Schoener chaired the meeting in the absence of Pres. Malcolm Heckman.

Highlight of the meeting was a presentation by Joseph Veach Noble, Executive Director of The Society of Medalists who performs in the same capacity for Brookgreen Gardens in North Carolina. His topic, "What do Art Medals say" demonstrated with color slides that the inanimate mineature sculpture you hold in your hand makes a powerfull statement revealing the artists ideas about fantasy and reality. Those in attendance gained considerable insight and are not likely to ever view an art medal in the same way again.

Mr. Noble presented essentially the same program at the Federation Internationale De La Médaille (FIDEM) in Colorado Springs last Sept.

The Society meets the third Monday of each month at the Madison N.J. Public Library on Keep St. Interested area residents are urged to contact the Corresponding Secretary, Harold Flartey at P.O. Box 67, Wharton N.J. 07885.

SHOW TIME AT THE WTC It's time for the 33rd annual Metropolitan New York Coin Show at the World Trade Center, with our James K. Brandt in command. March 30 (Thursday) through April 2 (Sunday) at the VISTA International Hotel. Bowers and Merena will sell the Landmark Collection (four separate collections-one sale) and you can go topside, 106 floors up. You can go to the 107th floor too, but that's another story. Have a look. Don't drive; jump the N.J. Transit Morris and Essex Line and go to Hoboken. take the PATH train to the World Trade Center (The train on your right is labeled WTC) Go directly to the Vista Hotel and stay warm and dry all the way. No parking fee, no fuss. Try it!

BEHOLD, THE EDITOR! Being the editor of THE LAMP, official publication of the Great Eastern Numismatic Association has its advantages. Arno Safran has his picture in the latest issue THREE times, and one shows him receiving the award for "Worker of the Year"! Another NJNS member, James K. Brandt, is shown accepting the award for GENA "Man of the Year" ..Mark S. Auerbach had a by-line story on PAGE ONE of the Feb. 15 Coin World. We have a lot of movers and shakers in the NJNS!

SPRING SPRINGS MARCH 20 So unless we have a surprise late storm it's time to put the boots away and come on out to a meeting. I will be there , if Gino will pick me up.

—New Jersey—

Winners of the William T. Anton, Sr. Memorial Essay Award of the Bergen County Coin Club included (left to right) Bruce Keese, Robert W. Hearn and Mark Auerbach. The awards were presented by William Anton, Jr. (far right).

TWO OUT OF THREE AIN'T BAD

Here in the Feb. 7 issue of Numismatic News we see a trio of the best there is, and two of them are our very own NJNS stalwarts Bruce and Mark plus Bob Hearn, a National Bank note collector, who was a speaker at our club once in the past. It's nice to be rubbing elbows with talented people. perhaps some will rub off. I don't know how well the photo will reproduce, but we will take a shot. Come to think of it, our guys are a lot better looking than the original photo, but something got lost in the translation. Come to the meeting, autograph hunters line up on the right!

Helen Chase Memorial Room
Madison Public Library

Madison

As the suggestion that we move up the starting time to 7:15 seem to work well for the last meeting, I would like to continue it for the foreseeable future. I don't believe that regular attendees will complain if more time is allotted for our monthly meeting. Those members who haven't dropped by in while are missing an evening of what numismatics is supposed to be. I won't beseech you to stop by; it's your loss.

The speaker for this evening will be Bruce Kesse who will talk about books, bindings and restoration tips and techniques.

Topics for the evening will include:

- Books that needs help
- Irish coins in honor of Saint Patrick's Day
- Roman Imperial Coins (the Ides of March)
- Recent Acquisitions
- Related Literature

CONGRATULATIONS TO HARRY RESCIGNO! The sixth winner of the prestigious Charles F. Nettleship Award for distinguished service to the NJNS. An appropriate medal is being prepared, inscribed with his name, a medal he helped create during his administration. The award should be ready for the January meeting.

SEE YOU IN THE SPRING! During January and February your editor seeks a warmer climate every year during the Winter cold. No basking in the Florida sunshine like Ernie Keusch, I go down in the basement and take a nap behind the furnace. On Feb 2, I take a look outside, and if I see my shadow, ZAPPO, back to my den. So don't look for me 'til the 3rd Monday in March, 1989. The newsletter will be there, but I won't.

STANDING ROOM ONLY! Well, almost. James Brandt NJNS member and KP Numismatic Ambassador was our speaker in Dec. and taking pictures of coins will be a SNAP for the 27 members and guests who crowded Helen's Room to get the picture. Clear photos with dramatic lighting enhances even the most mundane coins and Jim proved it with his lecture and slide presentation on "Secrets of Coin Photography Revealed" Very revealing Jim, and thanks MUCH!

MEETING DATES IN 1989 President Davis (makes you think of the glorious South in the days of the Civil War) chairs his first meeting in what promises to be an interesting year. First meeting Jan. 16 is MLK DAY according to the "pocket planner" provided by Mel Heckman, ex-president. Feb. 20 is G.W.'s birthday and March 20 is the day after Palm Sunday. That's enough, for now, but you can schedule all of our meetings, coin shows and whatever "pockets" you plan with your pocket planner. Thanks Mel!. The monthly show at the Aspen Hotel in Parsippany is slated for Jan. 15, the day before our meeting. For February, mark down NO SHOW for the coin show and every FIRST Sunday thereafter.

"DREAM PROOF SET" MOVES FORWARD They all laughed when I showed a mock-up of my Bicentennial of the United States Mint Prestige Proof Set, but there it is on page 4 of Coin World Jan 4 issue, photo and all. Who knows, I might just pull it off.

At our December meeting, 27 members and guests showed up to make Malcolm Heckman's last meeting as President (for this time around) the best attended in years, and to hear Jim Brandt's talk on coin photography. While many coin clubs and societies have faded into obscurity, we should all be proud of the vigor the New Jersey Numismatic Society and its fifty-six year legacy. Let us continue to be active by attending the monthly meetings, participating in the discussions, and sharing our particular expertise.

To start the New Year, Bill Christensen has graciously offered to talk on the Amazing Amon Carter Paper Money Hoard. A year ago we were privileged to hear Bill speak on his Search for a Lost American Collection, and from some of details I have heard, this talk will be equally mind-boggling.

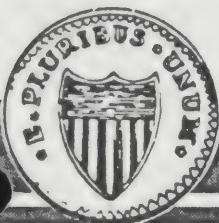

Please remember that dues in the amount of \$10. are still due from some members. Items for the resource table and donations for the raffle are always welcome as are volunteers to be featured speakers.

Topics for the evening will include:

- Paper Money (to rival Amon Carter's hoard)
- Coins of Japan (in tribute to the late Emperor)
- Inaugural Medals (in honor of President Bush)
- Recent Acquisitions

SHOW TIME AT THE WTC It's time for the 33rd annual Metropolitan New York Coin Show at the World Trade Center, with our James K. Brandt in command. March 30 (Thursday) through April 2 (Sunday) at the VISTA International Hotel. Bowers and Merena will sell the Landmark Collection (four separate collections-one sale) and you can go topside, 106 floors up. You can go to the 107th floor too, but that's another story. Have a look. Don't drive; jump the N.J. Transit Morris and Essex Line and go to Hoboken. take the PATH train to the World Trade Center (The train on your right is labeled WTC) Go directly to the Vista Hotel and stay warm and dry all the way. No parking fee, no fuss. Try it!

BEHOLD, THE EDITOR! Being the editor of THE LAMP, official publication of the Great Eastern Numismatic Association has its advantages. Arno Safran has his picture in the latest issue THREE times, and one shows him receiving the award for "Worker of the Year"! Another NJNS member, James K. Brandt, is shown accepting the award for GENA "Man of the Year" ..Mark S. Auerbach had a by-line story on PAGE ONE of the Feb. 15 Coin World. We have a lot of movers and shakers in the NJNS!

SPRING SPRINGS MARCH 20 So unless we have a surprise late storm it's time to put the boots away and come on out to a meeting. I will be there , if Gino will pick me up.

At our last meeting, several members requested that we consider moving the starting time up to compensate for the seemingly more frequent requests by the Library to wrap things up at 9:00. While we believe that when our landlords raised our rent they also allowed us use of the room until 10:00, we will try to start early.

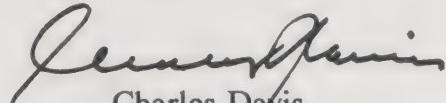

Those of you who were at the January meeting heard me ask for any information relative to the whereabouts of portions of the Society's archives. Of prime concern was the recollection several past presidents had of a safe deposit box, now unaccounted for. As I would like to have this consolidated, I would appreciate any and all information relative historical material belonging to the Society.

The speaker for this evening will be yours truly who will review the principal literature written 1869-1949 covering United States Large Cents.

You might want to attend the World Money Show at the American Legion Hall, 1556 Main Ave, Clifton on Sunday, Feb 19, the day before our meeting. You never know who you will run into at a coin show. I ran into (literally) Arno Safran TWICE at the show at the Parsippany Aspen in Jan. (no rim nicks or abrasions)

WHAT EVER HAPPENED TO WHAT'S THEIR NAMES? Susan and Richard Sisti make themselves as scarce as an MS67 Full Step Jefferson Nickel and that's a coin they know all about. They are also interested in error coins, thus they are members of CONECA, the organization for error coin collectors. S. and R. have agreed to write "A View From The Back Porch", a journal for the full-step Jefferson nickel collector which will be included in the monthly ERRORSCOPE, published by CONECA. If they do the superb job they did in presenting a program on Mexican Coins for the NJNS in 1986, success is certain!

GRADING THE COIN GRADER I visited the Numismatic Guarantee Corp in Parsippany to see how it is done. The coins they grade and slab bring more money grade-for-grade than any of the other three coin CERTIFYING firms, according to the Certified Coin Dealers Newsletter. Ask me some questions! (I couldn't find out what makes an MS64 an MS64 instead of an MS65.) They must be doing something right to have established such a reputation in less than 2 years.

WHAT'S YOUR OTHER HOBBY? What do you do when you a'int whizzing coins? Some of us have other interests. Mine is listening to music, the original art form invented in America, good old American JAZZ. I am a product of the big band era starting in the 30's with Benny Goodman, Count Basie, Duke Ellington and the others. I wrote a column for the Morristown Daily Record for 15 years doing record reviews, interviews, Frank Daily's Meadowbrook was my beat. Any others out there besides Bill?

Rescigno wins award

Harry Rescigno became the sixth recipient of the New Jersey Numismatic Society's Charles F. Nettleship Founders award. The award is given for outstanding service to the organization over a number of years.

Rescigno served as president of the society in 1983, the society's 50th anniversary year. He has also served as its recording secretary.

The NJNS meets on the third Monday of each month at the library in Madison, N.J.

Texas Numismatic Association (C-36980)

TNA Announces Rules for Junior Contest

To encourage its junior members to become involved in numismatics, as well as to promote its own series of club medals, the Texas Numismatic Association has devised a "bronze medal project," whereby young members of the Association can earn 16 TNA medals during calendar year 1988 by completing eight activities:

- 1) present a program at a local school;
- 2) prepare and deliver a presentation at a club meeting; 3) exhibit numismatic material at a local coin show;
- 4) mount a display for National Coin Week; 5) exhibit at the TNA convention; 6) recruit a junior member for the TNA; 7) recruit an adult member for the TNA; 8) write a numismatic article and submit it to the Association's journal, *TNA News*.

For each task completed, young numismatists will receive two TNA medals; projects may be undertaken in any order. For each goal reached, participants must fill out and return a separate activity form to Frank Galindo, TNA governor and creator of the program. All of the forms can be ordered at once and may be photocopied.

The first six junior members to complete all eight activities and earn 16

medals will be awarded as a special bonus a silver Alamo Sesquicentennial medal. The first participant to finish the project will receive a special award, and Galindo promises "if you participate in this medal project, you may find some other pleasant surprises coming your way along with your medals."

Those interested in learning more about the Texas Numismatic Association's "bronze medal project" should write to Frank Galindo at P.O. Box 12217, San Antonio, TX 78212.

WE PAY MORE! WHY SELL FOR LESS?

WE WANT TO BUY: Your entire collection is urgently needed no matter what the size, if it contains items we are looking for. Generally, we are interested in any collection which contains Choice and Rare coins and early U.S. coins in AU or better condition.

SELLING TO US: You will find that selling to our Rare Coin Galleries is easy and safe. Here is all you do—Package your coins carefully and send them to us insured or registered mail. You may state the value you wish to receive or send your coins for our generous offer. Upon receipt David Bland, Jr. will personally examine your coins and notify you immediately. Our offer will be in the form of a confidential insured check—cash payments can also be arranged. No collection is too large. (We have over \$1,000,000.00 to spend.) If your collection is too large to mail, please send an itemized inventory to the attention of David Bland, Jr., and we will travel to you if the size of the collection warrants it.

RECEIVE MORE FOR YOUR COINS: Because our needs are so great at this time we will pay more than any other major dealer in the U.S. Why sell your collection for less when it is so easy and safe to sell your coins to David Bland, Jr.?

Group Holds 558th Meeting

On January 18, 1988, the New Jersey Numismatic Society, organized in 1933, observed its 558th meet-

ing, highlighted by a presentation by Joseph Veach Noble, executive director of The Society of Medalists and of Brookgreen Gardens, located in North Carolina.

Illustrated with color slides, Noble's talk was entitled "What Do Art Medals Say?" and was essentially the same program that he delivered at the 50th Congress and Exhibition of the Fédération Internationale de la Médaille, held at ANA headquarters in Colorado Springs, Colorado, last September. According to a spokesman for the NJNS, "those in attendance gained considerable insight and are not likely to ever view an art medal in the same way again."

The New Jersey Numismatic Society meets on the third Monday of each month at the public library on Keep Street in Madison, New Jersey. Area

residents interested in the activities of the NJNS are urged to contact its corresponding secretary, Harold Flarley, P.O. Box 67, Wharton, NJ 07885.

NATIONAL COLLECTORS LABORATORIES

P.O. Box 5216 • Ponce, Puerto Rico 00733

The GENUINE CHARACTERISTICS REFERENCE reports are a detailed study of valuable coins that fall into the "key-date" category.

The relatively small mintage of each of these issues of coins has allowed researchers and authentication services to record the particular die characteristics that distinguish the genuine coin from alterations and forgeries.

NATIONAL COLLECTORS LABORATORIES has selected those coins for which we most often receive information requests, and has compiled this series of GENUINE CHARACTERISTICS REFERENCE reports as a significant contribution to numismatics.

All reports are printed on resin coated paper for high quality and durability. Actual size is 8½" x 11".

The GENUINE CHARACTERISTICS REFERENCE reports are permanent records that will not suffer changes or need updating since their main purpose is to assist in the identification of the GENUINE coin.

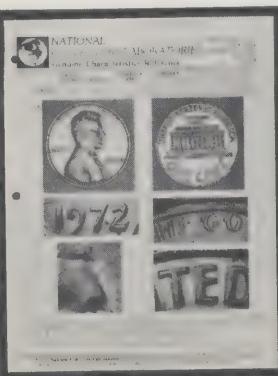

All orders will receive a complimentary BULLION CONVERSION CROSS-REFERENCE table and a sample of our COUNTERFEIT ANALYSIS REPORTS.

N.C.L. is a production of Pedro Collazo-Oliver, 10-year ANA member.

At last month's meeting, the membership agreed that minutes of our meetings should be distributed to all members. Those in attendance felt that as long as specific names were omitted from the "show and tell," the distribution would serve to let those who have not been showing up just what they are missing. Accordingly, minutes will be approved at the next regular meeting and then distributed with the next notice.

One of Malcolm Heckman's ideas instituted last year was the resource table where members could deposit their unwanted periodicals, catalogues etc for the benefit of the membership. For the last several meetings, the table has been bare. Let's all look around and see if we can't find a few items.

This month, our featured speakers will be Rich & Sue Sisti, who will preview their new video on Jefferson nickels.

Topics for the evening will include:

Coins struck in nickel (featured topic)
Coins of nations in the news (China, Iran, Philippines)
Patriotic coins (Flag Day)
Recent Acquisitions
Related Literature

NEW JERSEY NUMISMATIC SOCIETY
MINUTES OF 572nd MEETING
APRIL 17, 1989

MEETING CONVENED AT 7:30 WITH 22 MEMBERS AND ONE GUEST, TIM BENFORD; HIS INTERESTS: PATTERNS/COLONIALS.

NEW BUSINESS:

- 1 TREASURER BILL SCHOENER REPORTS \$1187.23 BALANCE.
 - 2 CHAS NETTLESHIP "OLD #1" SENT \$50 CHECK TO NJNS. WILL FORWARD NJNS MEMORABILIA TO CHARLIE DAVIS AS HE ORGANIZES AFTER MOVE.
 - 3 CHARLIE RECEIVED LETTER FROM LIBERTY COIN CLUB. THEY WISH TO RENT HARRY RESIGNO'S CONN COPPERS SLIDE SHOW. WITH FAME, CAN FORTUNE BE FAR BEHIND???
 - 4 SPENCE OUTLINED SOME CORRESPONDENCE REGARDING THE CONDUCT OF MAIL BID AUCTION SALES TO WHICH ONE WAG COMMENTED: "THEY ARE LICENSES TO STEAL..."
- *****

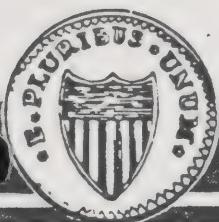

GUEST SPEAKER: SCOTT RUBIN: "PATTERNS OF 1792"

SCOTT OUTLINED THE DIAGNOSTICS OF THE 12 KNOWN SILVER CENTER CENTS (6-8 IN COPPER), AS A RESULT OF HIS WORK FOR THE ANS COAC AMERICAN COPPER COINAGE CONFERENCE. THESE PATTERNS, JUDD #1/2, ARE THOUGHT TO HAVE BEEN ENGRAVED BY JOSEPH WRIGHT OF BORDENTOWN, WHO DIED IN 1793 OF YELLOW FEVER. ONE MAJOR PROBLEM IN TRACING THE POPULATION WAS THE LACK OF ACTUAL PHOTOS IN MANY OF THE EARLY CATALOGS (MAX MEHLE A PRIME EXAMPLE); THUS MUCH CROSS CHECKING WAS INVOLVED TO TRACE LINEAGE OF PARTICULAR PIECES. VERY GOOD COPIES HAVE BEEN MADE SO SPEND \$15 FOR THE ANS WORK BEFORE YOU ACQUIRE ONE FOR YOUR OWN COLLECTION.

SHOW AND TELL:

- * FRANC OF CHAS X AND ASSORTED FRENCH COMMEMS.
- * INSIDE PCGS LETTER BY COLLECTORS, INVESTORS ANONOMOUS (CIA). A VERY HOT POTATO INDEED.
- * FOUR LIGHTWEIGHT COUNTERFEIT BRITISH 1/2 P (1730-1780).
- * ANTONINANUS OF MARCUS AURELIUS CARAUSIS, THE "PIRATE" EMPEROR OF ENGLAND (285 AD).
- * COPPER COPY (MARION) OF THE BRASHER DOUBLOON: ONE OF ABOUT 12 KNOWN PLUS CONTINENTAL CURRENCY OF PA AND DEL.
- * DRACHMS OF CROMNA (330 BC) AND CESIMNUS (VERY RARE); PLUS A VARIETY OF RELATED BLACK SEA DRACHMS.
- * 13 "NUMISMATISTS" SPANNING THE PERIOD 1914-26.
- * ATHENIAN "OWL", 1797 CENT, 1783 CHALMERS SHILLING (ANNAPOLIS, MD) OF THE "SHORT WORM" VARIETY.
- * 1848 BRITISH PATTERNS FOR SILVER CENT PENCE AND MODEL I CROWN, COPPER WITH GOLD PLATED CENTER.
- * XF/AU \$1 20 SET OF LEGAL TENDER SMALL RED SEAL NOTES.
- * A SERIES OF MEDIEVAL 5th CENTURY GOLD COINS OF THE VANDALS, VISIGOTHS, BENEVENTO AND A ROMAN SOLIDUS.
- * A SLABBED 1917 TYPE I QUARTER.

JUNE, 1989

PACK YOUR ATACHE CASE and head South! The Garden State Numismatic Association will stage its annual convention next weekend (June 23-25) at the Hyatt in Cherry Hill. Hundreds of dealers and collectors will crowd the bourse and exhibit areas and there's also the annual Tokens and Medals Show at the same time, if that's your bag. The usual special interest meetings will take place on Saturday, along with the Educational Forum, so Sat should be a busy day. I won't make it! I have a friend in Pencil Vania and he's visiting our Garden State same time. Tell me all about it!

VIDEO PRODUCTION!!! What NJNS members have produced "A Video Guide for the Full-Step Jefferson Nickel Collector"? Richard and Susan Sisti, trading as RAMAPAUGH TRADING CO" (perhaps they should be into Indian nickels?) have taken their production to the ERRORAMA '89 Show, held in conjunction with the Long Beach CA Expo. They were due to show it Sat morning June 3 at the convention. A 44 pg. guidebook and the 35 minute video sells for \$29.95. For mor info contact them at P.O.Box 363, Newfoundland N.J. 07435.

NEWS FROM WATCHUNG HILLS Someone sent me a copy of "The Hills Numismatist", newsletter of the Watchung Hills Coin Club. Vol 6, No 1 indicating that it is an established publication. Arno Safran, Greg Heim and Peter Irion are names you will recognize from the NJNS and president, Peter Doelger was once a member of our Society. Both sides of 2 standard sheets make up the format. The program for May was a presentation on numismatic literature by a chap named Charles Davis, an erudite purveyor of weighty tomes advising "buy the book before the coin" (the name may be familiier to NJNS members.) Want more info on the WHCC? Write to P.O.Box 4144, Warren N.J. 07060

A WORD TO THE WISE! What you see here and hear here, leave here when YOU leave here is sound advice for members attending our meetings. Whatever happens at a meeting is not considered general information for public distribution so, don't be a blabbermouth!

NEW MINT ON CAPITOL HILL! Presses transported from the Philadelphia Mint to Capitol Hill will strike coins for the commemoration of the 100th Congress at ceremonies Wednesday, June 14. Senators and Congressmen will line up to press the button to strike a gold \$5 or a Silver Dollar. I have been invited to witness the action but they MAY have to get along without me. I have only missed the Olympic FDS at Denver in 1988 since the Susan B. dollar was struck in Philadelphia in 1979

BICENTENNIAL OF AMERICA'S FIRST COINS

The New Jersey Numismatic Society, now in its 55th year, has voted to petition the Congress of the United States to authorize a Proof Set in 1992, commemorating the establishment of the U.S. Mint, April 2, 1792. The coins are to be the same size and weight as the original first coins. The obverses will replicate the original coins, the common reverse will show the original mint building, the first federally owned and built edifice. The dual dates 1792-1992 will be on each coin.

The NJNS approved the project April 16th at its 583rd monthly meeting. The Garden State Numismatic Association (GSNA), with 32 member clubs throughout the state, agreed to support the plan at their board meeting April 27. The Great Eastern Numismatic Association, under the direction of President Larry Gentile Sr., voted to support the petition at the May Meeting of the GENA board.

The Hackettstown, Roxbury, Sussex County, and Forks of the Delaware Coin Clubs all passed a motion to join the drive at their regular meetings.

COIN WORLD announced the NJNS plans in a front page story May 9 which resulted in the Litchfield County Coin Club, of Northwestern Connecticut joining the plan. The Sauk Trail Coin Club of Chicago Heights got aboard May 15. Mr. Julius Turoff has offered to be the Ambassador among the Numismatic Ambassadors at the A.N.A. Convention in Seattle in Aug.

GOALS: We will have space at the registration table at the GSNA Convention at The Hyatt, Cherry Hill to distribute literature and get names on petitions. We will solicit the help of regional and local numismatic organizations in 50 states and appoint 50 state coordinators. We will ask that all club newsletters, journals and quarterly publications carry our message from coast-to-coast plus Alaska and Hawaii.

HOW CAN YOU HELP! Make the project your own! It can't happen without YOU!

FOR IMMEDIATE RELEASE

NEW JERSEY NUMISMATIC SOCIETY

DEC. 19, 1988

The 568th meeting of the New Jersey Numismatic Society brought out a record attendance for a presentation by NJNS member James Brandt. The subject matter, "The Secrets of Coin Photography Revealed" was illustrated by a slide presentation of some remarkably clear photos. Tips on the techniques of lighting will make coin photography a "snap" for members who found the talk revealing.

Meetings are held the 3rd Monday at the Madison N.J. Library.

December 9, 1988

Subject: 568th Meeting
Date: December 19, 1988
Time: 7:30 p.m.
Place: Helen Chase Memorial Room
Madison Public Library
39 Keeep Street
Madison, NJ 07940

December--the last month of the year and also, it seems, the shortest is the setting for yet another blockbuster of a program. After last month's "Size 21 Medals of the U.S. Mint" by Mr. Ernest Keusch, Mr. James Brandt will speak on "The Secrets of Coin Photography Revealed." Mr. Brandt, a member of our Society, is from Pearl River, NY. He has presented this same talk before many other numismatic organizations, and is a featured speaker for our own Garden State Numismatic Association of which we are a member. Whether for insurance purposes, identification in case of theft, or referencing at shows (to buy or sell), come hear this most relevant topic.

Nominations for our Society's officers for 1989 were duly closed at our last meeting. We will vote for them during our December meeting, and they are as follows:

President	- Charles Davis
1st V.P. & Treasurer	- William Schoener
2nd V.P.	- Ernest Keusch
Recording Secretary	- Spencer Peck
Corresp. Secretary	- Harold Flartey

Discussions regarding the selection (or not) of a Charles F. Nettleship Founders Award recipient for 1988 are still under way by the committee comprised of Messrs. Flartey, Keusch, and Schonwalter. Their recommendation is expected shortly.

Finally, last months meeting notice stated, "It's a little early---." This month It's Due! Yes, I'm talking about our bargain \$10.00 dues for calendar year 1989. Let's get those checks and money orders in by our December meeting so the new President and "old" Treasurer have the means to mail this meeting notice and meet on Keeep Street eleven (no August meeting) more times in 1989.

And since I have the stage for one last time, and this is my last meeting notice as your President, I would like to say a few things. First, thank you all for making my job easy. When we needed a speaker, someone always volunteered. When we needed a door prize to raffle and I wasn't able to pick one up, someone always donated one. The list of names is long so I won't name each person at the risk of missing someone. One exception though should be recognized--my secretary. Without her uncomplaining attitude, her dictionary to correct my grammar and spelling, and her nimble fingers (I'd still be typing this Christmas Eve) my monthly labor of love for two years would have been made a lot harder to do. To her, a sincere thanks for a task well done. And a final finally--I'm proud to be a member of this Society and I hope you are too. The strength of any organization lies in its active members, so please, won't you who are not presently active, make a New Years resolution to attend regularly. And you who are now active, keep coming and keep the New Jersey Numismatic Society the most interesting numismatic club in the area.

Good luck to the new officers for 1989, especially the President. And to all my friends, I wish you a joyful holiday season and a healthy new year.

God bless you all!

Topics for the evening:

1. Photos of Numismatic Items (actual photos, book plates, etc.)
2. Show or Convention Related Numismatic Items
3. Money of the Caribbean
4. Ancient Coins of Macedon
5. Recent Acquisitions

Sincerely

SEASON'S GREETINGS If you haven't attended a meeting all year you should make it to our Dec. meeting on the 19th to say Merry Christmas and Happy New Year to your fellow members. It is a week before Christmas, so drop by for the festive occasion. It's the last meeting under the gavel of the Hon. Malcolm Heckman. Come on, give the man a big hand.

WORLD MONEY SHOW IN 19TH YEAR Ever been to the WMS? It's held each month on the 3rd Sunday at the American Legion Hall, 1556 Main Ave., Clifton. Choice foreign coins and paper money, lots of it, so if you dig those foreign crowns, take a look. Ample parking and admission free. Show dates for the first quarter of 1989 are Jan. 17, Feb. 21 and March 20, the day before our meetings.

NEW MAN IN THE DRIVER'S SEAT Charles Davis, the man with all the numismatic books will be in charge of affairs starting next month, so come on out and cheer him on. Spencer Peck has been named Recording Secretary, Bill Schoener remains as First V.P. and Treasurer and Ernest Keusch remains as 2nd V.P. Guess who will be our Corresponding Sec. (Again?)

WHAT EVER HAPPENED TO WHAT'S HIS NAME? Harry Rescigno never missed a meeting back around the time when this club became 50 years old in 1983. He was president during our Golden Anniversary year and Recording Sec. for two years prior to that. His presentations on "The New Jersey Coppers" and "Auction Catalogs as an insight to numismatic history" were well received. Harry took a job on Wall St. in the Big Apple and getting there and back each day is a hassle. Harry's wife is a teacher, and the teacher's meet the 3rd Monday of each month. That means a baby sitter is required for the son and daughter. If anyone will go to Milton and sit with the young Rescignos Harry would be glad to attend our meetings. Any Volunteers?

"MR RED BOOK" is dead at age 84! The well known Richard S. Yeoman died Nov 9 of a stroke while driving his car. It should be noted here, since his "Guide Book of United States Coins" has been the bible for coin collectors for 42 years. You probably learned your first facts from it.

"Well, I see my time is about up..."

THE BOTTOM LINE Mixed greens are good for you, especially fives, tens and twenties.

New Jersey Numismatic Society

Greetings:

The 524th meeting of the New Jersey Numismatic Society will take place Jan 21 at the Chase Memorial Room at the Madison public Library, 39 Keep St. at 7:30 p.m.

The subject of the meeting will include numismatic items honoring Alaska Statehood (Jan 3) Richard Nixon (Jan 9) Dr. Martin Luther King, Jr. (Jan 15) Ben Franklin (Jan 17) Robert E. Lee (Jan 19) Stonewall Jackson (Jan. 21) Gen. Douglas MacArthur, (Jan 26) Wm. McKinley, (Jan 29) and Franklin D. Roosevelt (Jan 30)

Be prepared to supply some input as to what YOU would like to see on the agenda for meetings during 1985. We have called upon past president Herb Silberman to tell us about the proceedings at the recent American Numismatic Society seminar on Copper Coins of America for our February meeting and we will ask William L. Subjack to give us a detailed report on his book on early U.S. Dimes. (For our MARCH meeting)

Ask not what the NJNS can do for you...and you know the rest....Let's hear from you Jan 21.

Sincerely

Harold Flarley

President
